To:

Joyce Wilson, City Manager

Through:

William Studer, Deputy City Manager

From:

Carmen Arrieta-Candelaria, Chief Financial Officer Blanca B. Lorkowski, Treasury Services Manager & L

Subject:

Quarterly Investment Report for the Period Ending May 31, 2006

Submitted for your review and acceptance is the City of El Paso third quarter investment report including documentation of investments held and evaluation of investment performance. The Investment Officers have complied with the Public Funds Investment Act, the City's Investment Policy, and adopted Investment Strategies. All funds were invested to meet cash flow requirements for operations, capital projects, and debt service payments.

During this quarter the City bid two investments. The investments were made to satisfy a portfolio diversity requirement and to take advantage of the superior yield in the market. All other cash available was placed into investment pools in order to satisfy liquidity and security. The five investment pools used by the City – TexStar, TexPool, Logic, Wells Fargo and MBIA – had an average yield of 4.70% for the quarter ended May 31, 2006.

The following is a summary comparison of selected information as of February 28, 2006 and May 31, 2006:

	3rd Quarter 2006 May 31, 2006	2nd Quarter 2006 February 28, 2006
Principal Invested	\$214,317,008.34	\$192,615,070.92
Portfolio Book Value	\$213,158,428.61	\$191,655,235.16
Portfolio Fair Value	\$212,953,403.02	\$191,604,105.65
Weighted Average Maturity	146 Days	165 Days

The yields on portfolio investments and representative market securities are:

	May 31, 2006
Investment Pools	4.700%
U. S. Agency Securities	4.460%
Average 3-month T-bill Rate	4.720%
Average 6-month T-bill Rate	4.840%
Average 6-month CD Rate	5.200%
City Average Portfolio Yield	5.347%

Attached are additional charts and tables portraying the City's portfolio and summarized reports of portfolio position required by the Texas Public Funds Investment Act.

The change in the average portfolio yield for the quarter was 61.4 basis points higher at the end of quarter compared to the beginning of the quarter. This increase is due to the increase in the yields of the investment market in general. The City's current average portfolio yield was higher than the 3-month T-bill rate over the same period by 62.7 basis points.

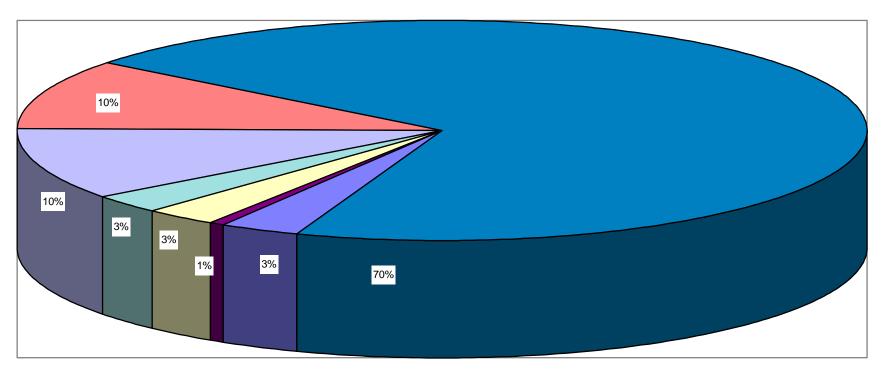

c: Mayor John Cook and Council Members City Clerk
